

Stage Size: 24' x 12' x 2'

LED Wall: 11'5" x 14'9"

Seating: 406

Seating spacing: 3'

Projection Screen: 11" x 20"

DISCLAIMER:
This document is a representation of design concepts and ideas and is intended to be used as a guide to the approximate layout and configuration. Whereas actual on-site variations and adjustments may occur, Markey's cannot be held responsible for submitting this as an exact plan, construction document, or engineering drawing. It is the show's responsibility to erect this design using proper methods while meeting applicable OSHA standards, and ultimately to verify that all local safety, building, and fire codes are met or exceeded.
RIGGING DISCLAIMER:
The drafter and/or designer is not a licensed structural engineer and is not qualified to determine whether the design meets structural safety and/or building code requirements. Weights are estimated and not certified. It is the show's responsibility to employ a certified rigger and structural engineer to certify all weights and evaluate loads for each venue. It is the show's responsibility to ensure proper hardware use and installation, using properly engineered and approved materials, components, and methods.
COPYRIGHT
The design plans, ideas, and concepts contained within cannot be reproduced, redrawn, or disclosed to any individual, firm, or company without express written consent of Markey's Rental & Staging.
